

# Changed Lives Ministry (Women's)

## Sponsor's Responsibilities

1. Assuring the resident has the necessary blood tests faxed to us.
2. Assuring the resident has transportation to and from CLM facility. If a situation arises that a resident cannot or does not desire to complete the program, the sponsor is responsible for picking that individual up **promptly upon departure.**
3. Assuring twenty-five- dollar (\$25) application fee and a three hundred dollar (\$300) medical deposit upon entrance. The medical deposit is for the resident's use should they require medical assistance while in the program. At no time during the resident's stay is the medical deposit to be used for anything other than medical expenses. The medical deposit and application fee are refundable upon completion of the program if not used towards medical expenses.
4. Assuring no alcohol or drugs are in the resident's belongings upon arrival.
5. Assuring that the resident has all needed items such as clothing, toiletries, etc. (No toiletries, cosmetics, etc. containing alcohol content are allowed.)
6. Assuring that the resident brings any proper/necessary prescription medications needed for the duration of time in the program.
7. The resident will be drug/alcohol tested upon arrival. A positive test result will terminate any current admissions agreement and the resident will not be permitted to remain at the CLM facility at that time. Should this occur, it is the responsibility of the sponsor to provide transportation from the CLM facility. The resident may be rescheduled to come in at a later date.
